

*During the Covid 19 Pandemic we are keen to ensure that all our pupils have appropriate support to complete their school work and to continue to have, as far as is possible, the same standard of pastoral support which we provide to our children whilst at school.*

*We have made several attempts to contact you to ensure that your child is continuing to benefit from the learning opportunities we have provided and to ensure that they remain safe and well. We apologise if there are circumstances that are causing difficulties and would like to hear from you if that is the case.*

*Therefore, we would urge you to contact the school as we are becoming increasingly concerned that following these attempts we have not been able to make contact with you. Can you please email the school office at.....to provide current contact numbers so that we can talk to you and then one of the pastoral team will phone you. We urge you to contact us by.....so that we can be assured that all is well.*

*If we do not hear from you by this date we will feel compelled to contact Children's Services and request that they contact you to satisfy us as to your children's welfare.*
